

OPM JUNIOR RFC

Policy statement for Volunteers and Helpers

OPM RFC recognises that in order to operate the Junior section efficiently, it cannot do this without Volunteers and Helpers.

Wherever practically possible, OPM RFC will enlist assistance from immediate circles of friends/relatives of its Junior members and its associated Senior Club members, but extends this to any interested persons.

In return OPM RFC offer the opportunity to be part of its inclusive rugby community environment where volunteers and helpers can learn and develop new skills, be part of a team, share an existing skill, have fun, give something back to the game that they love, keep active and enhance health and wellbeing, broaden social networks and build self esteem and confidence.

OPM RFC will expect that all new volunteers and helpers provide a written reference to the club committee, which will require verification before commencing any duties.

All volunteers and helpers are subject to a DBS check.
